

Culinary Management TABLE SETTING ACTIVITY

Group Members:

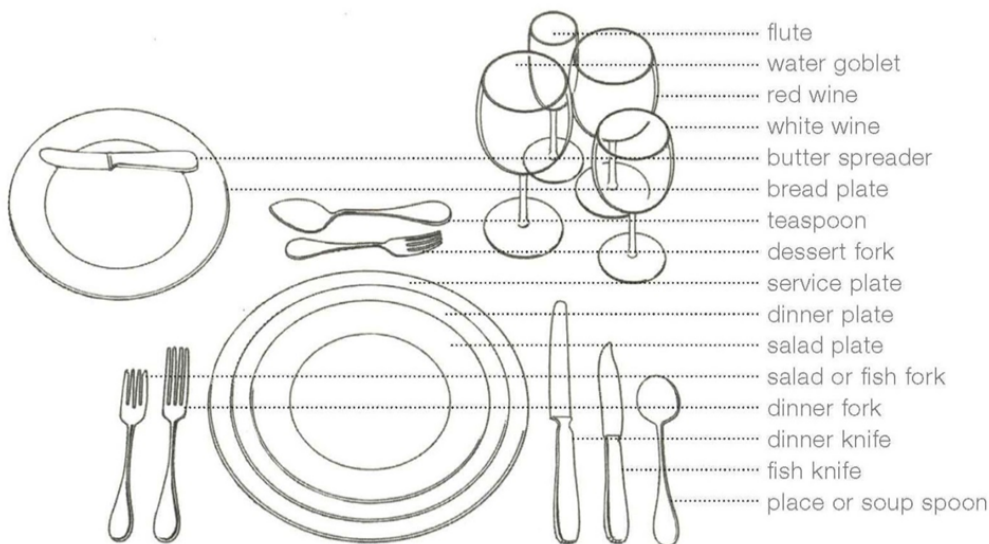

Instructions

Instructor divides all table setting pieces into 4 groups and they have to set one of each table setting.

Option 1: *Gradable learning activity.* Give each group _____ minutes to correctly set the table, without using their notes. Each correctly placed item is worth 2 points. Up to 30 points

Points Earned _____

Option 2: *Team Building Relay Race.* Have all pieces for the entire service in the front of the room. Add extra pieces as well or other ideas to throw them off. Divide into teams. Each team member must get one piece (starting with the tablecloth) and set correctly on the table. Then the next team member gets the next item, until the entire table is set correctly. When it is time to check in, all the incorrect pieces are removed, and any pieces placed on top of it, and will have to be done again, until completely correct). First team done with a correctly set table wins.

(Cross-off the list which pieces you did not have for the assignment)
